ENFORCE THE OLYMPIC CHARTER!

UPDATE
8TH MARCH 2024

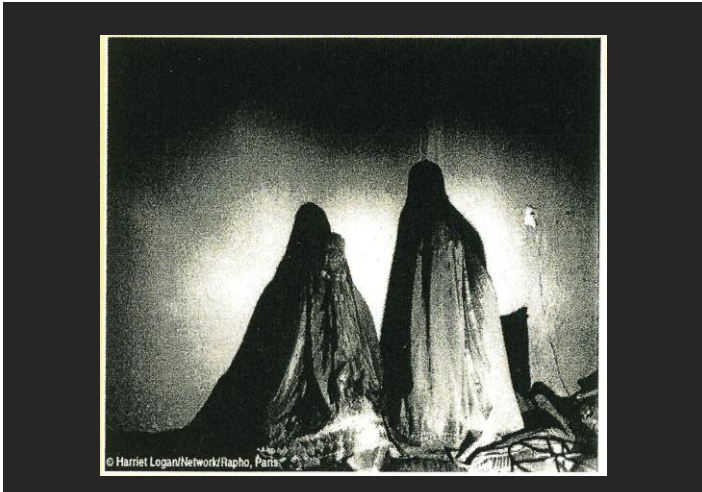

SOLIDARITY WITH AFGHAN AND IRANIAN WOMEN
AGAINST APARTHEID BETWEEN
MEN AND WOMEN

APARTHEID BETWEEN MEN AND WOMEN KILLS !

THE MANDATORY HIJAB IS ITS BANNER

In the name of religion, some islamist theocracies impose an inferior status to women and a radical separation between men and women, which equals to women/men apartheid.

August 15th 2021: the Taliban regain power in Kabul and impose their deadly fatwas on women.

September 16th 2022 in Iran: the death of Jinâ Mahsâ Amini following police brutality for “improper wearing of the veil” triggered an uprising throughout the country.

RELIGIOUS NEUTRALITY IS COMPULSORY AT THE OLYMPICS

REMINDER

The Olympic Charter :

Fundamental principe n°4 :

(...) Every individual must have the possibility of practicing sport, without discrimination of any kind (...)

Rule 50.2 : No kind of demonstration or political, religious or racial propaganda is permitted in any Olympic sites, venues or other areas.

Its racial apartheid regime resulted in South Africa being excluded from the Olympic Games for thirty years, and a sporting boycott by all nations.

THE UNITED NATIONS

condemned racial apartheid:

- Convention on the Suppression and Punishment of the **Crime of Apartheid** (1973)
- Convention against **apartheid in sports** (1985)

**SAME CONDMANATION MUST APPLY TO
THE COUNTRIES PRACTICING APARTHEID
BETWEEN MEN AND WOMEN.**
